

# Kallista Primary School

Dear Parents and Carers,

This time of year is normally when we are taking tours of prospective parents and trying to ascertain how many children we may possibly have enrolled in Prep in 2021. This is obviously not happening at the moment due to the ongoing COVID restrictions. We have put together a virtual tour of the school to cater for those parents who wish to be taken on a tour, which will be up on our website and Facebook soon.

In the meantime, we are asking parents within the school to assist us. If you have a younger child who will be doing prep next year (a sibling to the children already at our school) and you haven't already enrolled, we need to hear from you. Can you please complete the enrolment form on the website, and send it back to the office via email to [kallista.ps@edumail.vic.gov.au](mailto:kallista.ps@edumail.vic.gov.au)

If you know of families not currently at our school but are interested in possibly enrolling for prep 2021, please ask them to contact the school, and we will be able to send them information about our school including the link to our virtual tour.

Over the next few days, we will have the virtual tour and some small informative videos on our school website, and on the Kallista PS Facebook page. We hope that this will provide a flavour of our school community and learning approach to new prospective parents.

Sincerely,

*Chris*
